PEERLESS PORTLAND AV SUPPORTS

Designer stands in Walnut finish for LCD, LED and Plasma screens from 32" to 50"

- Stylish, natural walnut finish side panels to complement modern interiors.
- Piano black toughened safety glass used throughout for added safety in the home.
- Metal frame construction for top and base shelf for excellent rigidity and increased weight capacity for larger screens.
- Adjustable middle shelf for added versatility in accommodating multiple AV components.
- Comprehensive cable tidy back panel to fully conceal all unsightly wires.
- Angled design to rear enables support to be conveniently positioned either against a wall or into a corner.
