

Product Information Sheet

LCD Wall Mount

PWV150/BK

Small Articulating  
Screen sizes 10-26"

Part Number: PWV150/BK

Product Description

Ideally suited for small LCD screens, the Paramount PWV150 articulating wall mount gives you the widest range of screen adjustment to obtain the best viewing angle. The PWV150 allows you to tilt your screen forward or back, pan left or right and even extend your flat panel screen away from the wall.

Features & Benefits

- Ideally suited for LCD screens up to 26" in size, up to 11kg (25lbs) in weight
- Accommodates VESA 75x75, 100x100 and 200x100 mounting patterns (with included adaptors)
- One touch tilt allows screen to be angled forwards/back up to 35° in each direction
- Double arm construction allows screen to be extended up to 367mm from wall
- Level adjustment allows the screen to be turned +/- 5° even when installed for screen perfect alignment
- Three adjustable pivot points for versatile screen positioning
- Integrated cable management system controls connecting cables with movement of arm
- Gloss black finish
- UL safety certified
